

SYSPRO (UK)

EXTENDED PROFILE

OVERVIEW

NexSys Solutions Limited are now SYSPRO UK Limited. SYSPRO is a leading, global Enterprise Resource Planning (ERP) software provider specialising in key manufacturing and distribution industries. For over 40 years, SYSPRO's team of specialists have continued to address unique industry needs and enable customers to easily adapt and grow.

The solution is scalable and can be deployed in the cloud, on-premise, or both, and accessed via the web on any device to provide customers with choice and flexibility. SYSPRO remains focused on the success of customers.

Our evolving solutions are aligned with industry trends to leverage emerging technology that will enable customers in securing a digital future. With more than 15,000 licensed companies in over 60 countries across six continents, SYSPRO offers guidance and support every step of the way.

CORE FUNCTIONALITY

Our software solution - the very best technology and functionality; proven SYSPRO, is a single source, fully integrated end-to-end enterprise solution with all the functionality you'd expect from a modern business system and more, including:

- Enterprise Resource Planning (ERP)
- Advanced Planning and Scheduling (APS),
- Customer Relationship Management (CRM)
- Advanced Quality Management (AQM)
- Human Resource Management (HRM)
- Advanced Warehouse Management (AWM)
- Advanced Data Management (ADM)
- Advanced Performance Reporting (APR)

SYSPRO remains at the cutting edge of technology, delivering the most advanced functionality to our customers as standard - and ahead of our competitors.

CUSTOMER BASE

Every day, more than 15,000 manufacturing and distribution companies across over 60 countries depend on SYSPRO software to run their businesses. SYSPRO operates successfully in diverse manufacturing environments, discrete and process, and with a choice of over 50 interactive application modules, on-premise or in the cloud, the software enables the tailoring of solutions specific to the needs of your company and integration with its core business processes.

SYSPRO is easy to use, yet powerful, customisable and scalable, so you can add functionality as your business grows and your markets change.
