

MRPEASY EXTENDED PROFILE

OVERVIEW

Simple yet powerful self-service manufacturing ERP/MRP system. MRPeasy streamlines management of production, inventory, customers, purchasing, finances, and your team in one cloud-based platform.

KEY FEATURES

- Automated, accurate planning with a drag-and-drop Gantt chart and calendar lets you create realistic production schedules and reschedule on the fly by simply dragging manufacturing orders and operations.
- Comprehensive inventory management includes stock movements, batch and serial number tracking, and configurable reorder points to prevent stock-outs. Enjoy complete traceability and a detailed history of all stock operations.
- Built-in costing and quoting tools calculate product costs and optimal delivery dates. Generate quotations and invoices, prepare shipments, and convert confirmed customer orders directly into production jobs.
- Shop-floor and workforce control via a simple web or mobile interface ensures line-level tasks are updated in real time. Capture shop-floor reporting and monitor workforce availability and workloads.
- Purchasing made easy: Raise pre-filled purchase orders with a single click, automate supplier reorders, and track order status throughout the supply chain.
- Financial visibility offers real-time dashboards for cash flow, balance sheet, and profit & loss, providing actionable insights into your business performance.

INTEGRATION AND EXTENSIBILITY

MRPeasy connects

with QuickBooks Online, Xero, Shopify, Magento, Power BI, and 15+ more. API and webhooks are available on paid plans for seamless data exchange.

Designed for small and midsize manufacturers, MRPeasy delivers a complete product manufacturing software solution from shop floor to top floor, with straightforward pricing and rapid deployment.

HOW MUCH DOES MRPEASY COST?

MRPeasy has flexible, tiered pricing without module-based add-ons. All plans include a 30-day free trial, no contracts, and no hidden fees.

Download the extended software profile for a breakdown of the pricing plans. These are based on monthly billing (annual billing includes one month free).
